

# Pneumatic **BLOW-OFF SYSTEM**

# GapVax<sup>®</sup>

The GapVax Blow-Off System offers unsurpassed ease in discharging wet or dry material from the collector body

The change from loading to unloading comes as easy as pushing a button with GapVax's Blow-Off System.

A GapVax equipped with an optional blow-off system offers unsurpassed ease in discharging wet or dry material from the collector body. The innovative design provides longer conveying distance, horizontally, or vertically, and does not utilize any moving parts.
